PRODUCTION INCREASED—CIRCUIT IMPROVED—PRICE REDUCED

To-day's best value in Band III converters suitable for your T.V. or money refunded. Complete ready to operate. 49 6 non-mains, or 69 6 mains, post and insurance, 3/6.

T.R.F. CONVERTOR

New this month is a converter for T.R.F. Set View-mastor-Electronic Engineering, etc. Small models to the T.V. are necessary as this must be turned into a superhit to stop re-radiating. Price complete with two valves £6.10.0 assembled—ready Oct. Nov.

THE UNI—T.V.

Undoubtedly the most up-to-date television for the home constructor. You can build all or only part and the set when finished will be equal to a factory-made equivalent. What other constructor T.V. has all these features?

- * Made up units if required.
 - * All miniature valves.
 - * Metal rectifier.
 - * No expensive transformers.
 - * 13-channel circuitry.
 - * Multi-vibrator time bases.
 - * Ferrux cube, E.H.T. and scan coils.
 - * 34/37 Mc/s I.F.
 - * Suitable for any modern 12, 14 or 17" tube.
 - * Modern contemporary cabinet if required.
- The building cost (less tube) is only £29.10.0, plus 10-carriage and insurance. All parts guaranteed 12 months. Full information and data free with parts or available separately price 3/6.

THE "CRISPIAN" PORTABLE RADIO

A 4-valve truly portable battery set with very many good features as follows: Ferrite rod aerials. Low consumption valves, superhit circuit with A.V.C. ready - built and aligned chassis if required, beautiful two-tone cabinet covered with I.C.T. Rexine and Tygan. Guaranteed results on long and medium waves anywhere.

All parts, including speaker and cabinet, are available separately or if all ordered together the price is £7.15 complete, post and ins. 3/6, ready-built chassis 30/- extra. Instruction booklet free with parts or available separately price 1/6.

THE REALITE

This is a complete fluorescent, fitting, stove enamelled white with starter and ballast all ready to install. Price 29/6, plus 4/6 carriage and packing. 40-watt tube, 10/-, no extra for packing if ordered with fittings.
